The Seaside Collection

The latest collection by Emma Shuckburgh is a beautiful, relaxed and evocative group of designs inspired by chalky vintage floral prints and quintessentially English seaside holidays.

Designed for an eclectic seaside Hotel in Dorset, The Seaside Collection is reminiscent of the essential 1950's beach kit complete with red bucket and

spade, white plimsolls and striped deck chairs. They evoke happy, carefree days by the sea using sugared almond pastels and vibrant primary reds and blues.

West Bay, a striking floral trail and the main design of the collection is beautifully co-ordinated with *Golden Cap*, inspired by a 1950's dress print of petals and falling leaves. *Chesil Beach* and *Lyme Regis* are bold seaside stripes, happy on deck chair or windbreaker and *Seatown* is a joyous spot guaranteed to bring a smile.

All Elanbach fabrics are available in a choice of cotton satin, bleached cotton/linen mix or natural cotton/linen mix. Prices from £25 - £35.
